World refugee facts and information

- World Refugee Day is an international day set by the United Nations to honour refugees.
- It is a celebration of refugees' contributions to art, culture, and society.
- It is a celebration of the strength and courage of people who have been forced to flee their home country to escape conflict or persecution.
- It is a time to build empathy and understanding.
- It is a time to develop understanding and to recognize resilience.
- Together, we can champion their right to seek safety, build support for their economic and social inclusion, and advocate for solutions to their plight.
- World Refugee Day shines a light on the rights, needs and dreams of refugees, helping to mobilize political will and resources so refugees can not only survive but also thrive.
- World Refugee Day was held globally for the first time on 20 June 2001, commemorating the 50th anniversary of the 1951 Convention relating to the Status of Refugees.
