

Faafinta tallaalka Alberta ayaa sii kordheysa

Abril 12, 2021

Iyada oo xarumo caafimaad oo deg deg ah laga furayo Kaalgari (Calgary) iyo Edmonton, Alberta waxay fidineysaa qeybinta si ay ugu bixiso qiyaaso xawaare diwaan gal ah.

Iyada oo in ka badan 1,300 oo farmashiyeyaal ah iyo 103 goobood oo tallaalka ah ay imminka maamulayaan tallaalka, iyo in ka badan oo ku sii kordhaya toddobaadyada soo socda, gobolka wuxuu hadda ku jiraa xawaare uu ku qaybinayo in ka badan 300,000 oo qiyaasood usbuucii.

In ka badan 684,000 oo reer Alberta ah ayaa hadda helay ugu yaraan hal qiyaas oo tallaalka ah, oo gacan ka geysaneysa ka hortagga natiijooyinka daran iyo yareynta faafidda KOOFID-19.

Dhammaan dadka qaangaarka ah ee ku nool Alberta waxaa la siin doonaa qaddarka ugu horreeya ee tallaalka dhammaadka Juun, haddii tallaallada u yimaadaan sidii loogu talagalay.

Tartankii u dhexeeyay tallaalka iyo noocyada kala duwan, waan sii xoogeysaneysaa. Waxaan sii wadi doonaa xawaareynta iyo jadwalka shaqada. Waxaa naga go'an inaan la kulanno ama kasoo baxno ballanqaadkeenna oo aan siinno qof kasta oo qaangaar ah tallaalka ugu horreeya illaa Juun 30."

Jason Kenney, Gudoomiyaha

Saraakiishayaga caafimaadka waxay si adag uga shaqeynayaan sidii ay shixnado cusub oo tallaalka ah ugu heli lahaayeen reer Alberta isla marka ay yimaadaanba. Waxaan si xoogan ugu boorinayaa dadka Alberta inay is talaalaan isla marka aad u qalmaan. Markay tahay goortaada, fadlan iska qor tallaalkaaga, tus ballantaada oo la soco qiyaastaada labaad.
