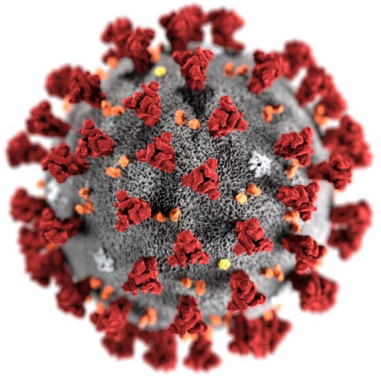
Calgary



COVID-19:
CEMA Update

Who is CEMA?

- CEMA is a service line within Calgary Community Standards.
- CEMA works with over 60 Agency Members including business units, government agencies, businesses, non -profit groups, first responders and citizens.
- CEMA works with Business Continuity Coordinators from within City of Calgary Business Units to develop and implement business continuity planning.
- CEMA promotes and strengthens emergency preparedness, resilience and the coordinated response to, and recovery from, major emergencies and disasters in Calgary.
